

NURTURING THE VISION

THE TRINITY VISION

Your leadership has a vision for Trinity that is exciting and hope-filled. We are working to build a **faith community known for nurturing all generations for authentic sharing of God's love.**

At Trinity, there is a place for everyone to be known, loved, and supported.

VISION TO REALITY

To make the vision a reality our **Session has adopted a detailed ministry plan** based on our community's work together over the past 18 months with the Vital Congregations Initiative and the US Congregational Vitality Survey. From improved communication to assessing ways to grow, we are taking steps now.

WE NEED YOUR HELP

As we seek to enhance our ministries with all generations, especially with children and youth, **we need your help.** From volunteer roles to financial resources for necessary staff support, there are ways each of us can help nurture connections here at Trinity. Your pledge of financial support for 2024 will help us respond in faith and hope to God's calling for Trinity.

MAKE YOUR PLEDGE

Making your 2024 pledge of financial support to Trinity is important and easy. **Complete the included pledge card and bring it to worship on Pledge Sunday: October 22, 2023.**

You may also bring your card to the church office prior to Pledge Sunday (October 22) OR make your pledge online at:

A NOTE FROM PASTOR CHRIS

At the beginning of 2023, as I met with our Elders, Deacons, and Staff at our annual leadership orientation, I shared the two key priorities I had for the year: Vision and Connection. I challenged our leadership to develop a forward-looking, post-COVID vision for Trinity, while at the same time committing to put significant effort into nurturing deeper connections among our Trinity community.

I am deeply grateful to see the fruits of that labor already coming into view. We have adopted a ministry plan for the coming years that will help us live into our vision of Trinity as a faith community known for nurturing all generations for authentic sharing of God's love. We are expanding our caring ministries to more faithfully connect with all those God has called to our fellowship. What a joy!

All of this work is possible thanks to your faithful generosity. I trust you will prayerfully consider how God is calling you to participate in this work in 2024 as we together nurture the connections all around us!

HOW TRINITY NURTURES CONNECTIONS

WORSHIP & MUSIC

In person and online options allow us to connect more than ever before. From choir and handbells to special music, we have many ways to make a joyful noise together!

FELLOWSHIP

Picnics to pie suppers, luncheons to coffee before worship, we love spending time together!

MISSION & WITNESS

We connect as we put our faith into action by providing homes, food, and love for all God's children.

STUDY

Groups for all ages encourage learning, questions, and discussions that help us all grow in our faith.

YOUR PLEDGE'S IMPACT

Every dollar you pledge directly supports the mission and ministry of Trinity, including:

Personnel: We compensate our staff fairly and provide the resources they need to thrive.

Mission Outside Trinity: We are active in showing God's love in our community and world.

Facility: We share facility space so we can be good stewards of our resources.

Mission Inside Trinity: We equip our leaders and congregation to grow in faith, hope, and love.

Administrative: From finance to office supplies, administrative ministries provides key support.
